	As historians, we will be using a variety of sources to find out about the great fire of London. We will be discovering events that happened and placing them along a timeline. We will ask and answer questions about Samuel Pepys and The Great Fire of London. We will discuss the impact the events had on our lives today.	As Geographers we will be looking at how the skyline of London differs from the past.	As designers we will learn to use simple utensils, tools and equipment to bake bread. We will look at how to design and make a trap with a winder mechanism to catch our villain.	As artists we will be using our sketching skills to create drawings of historical buildings. We will explore layering and collage to create a skyline scene (Claude Monet) We will look at the style of Andy Warhol and create our own pop art style piece	As Scientists we will be making comparisons between materials, testing their suitability for purposes and changing their shapes. We will be looking at the off spring of animals including animals and looking at how these grow.	As Musicians we will be able to listen and respond, explore and create, sing and share and perform	As computer experts we will be able to use algorithms to code, debug and program a sprite. We will be able to add backgrounds, sprites and text to a program. We will be able to identify the outcomes of a program and can create a program based on a new design.	As Spiritual Enquirers we will find out about Christian and Jewish heroes from the Christian bible. We will find out that the Christians follow the whole bible and the Jewish people follow the Old testament. We will learn about the Muslim sacred book The Qur'an and the Christian celebrations of Harvest and Christmas.
