Parental Consent Form - 2025

At Hasland Infant and Nursery School, we sometimes take photographs of pupils. We use these photos in our school prospectus, on the school's website and ParentHub, in the school newsletters, on the screen in the hall and on display boards around school.

We would like your consent to take photos of your child and use them in the ways described above. If you're not happy for us to do this, we will accommodate your preferences.

We also require consent for several other things we do in school and again if you're not happy to consent then that is fine, we will accommodate your preferences.

Please tick the relevant box(es) below and return this form to school:

I have consent from the people I have listed as emergency contacts for my child.	
I am happy for my child to go on local visits – e.g. Local Park	
I am happy to consent for my child to receive liquid paracetamol when needed and I'm aware that I will receive a phone call prior to my child receiving this medication.

I am happy for external school photography companies to take a photo of my child that I can then purchase.	
I am happy for external school photography companies to take a class photo with my child that can then be purchased by parents.
