	As historians, we will be finding out about the Wright brothers using historical sources to learn why they are important. We will discuss their impact on society and how they have changed our lives today. We will look carefully at pictures and artefacts and discuss how we know they are new or old.	As Geographers we will be Naming countries and capital cities in Australia and Alaska. We will explore the culture and climate of these places.	As designers we will design and make an elastic band flying machine with a propeller.	As artists we will explore the traditional printing technique of batik and explore rangoli patterns. We will recap hot and cold colours and create water colour mountains. We will be exploring line through texture and mixed media	As scientists we will be finding out about humans and animals and what they need to survive. We will also be learning about food chains and investigating minibeasts and their habitats.	As Musicians we will be able to listen and respond, explore and create, sing, share and perform. We will play tuned instruments i.e. glockenspiels and Ocarinas to accompany performances. We will improvise in pairs, in groups and as a class. We will compose as a class.	As computer experts we will understand the uses of information technology and will say why we use it both in and out of school. We will know how to stay safe when using technology and will be able to explain the different rules we have. We will learn about animation and how to make different types of animations.	As Spiritual enquirers we will learn why some places are sacred. We will read stories from the bible(The sacred book Christians follow) We will learn about the Christian celebration of Easter.	As good citizens we will understand how to keep money safe and what influences our spending choices. We will investigate and celebrate the similarities and differences between ourselves and others.
