

Safeguarding in our school

We pride ourselves on providing a safe environment for all our pupils and staff. Our children are taught about the people in school they can turn go to if they ever feel worried or concerned.

Below are some of the aspects we cover in order to ensure our children know how to stay safe in all aspects of their lives.

Around our school	Curriculum Links	Year Groups	Focus Days/ weeks	Assemblies
Walk with Pride We encourage our children to walk sensibly in and around school at all times to keep themselves and their friends safe,	Online Safety This is covered as part of the Computing curriculum in each year group. We ensure our children know what to do if something happens online that makes them feel unsafe.	Road Safety Children in Nursery learn about road safely using an interactive pedestrian crossing. They learn about road safety through taking turn to be the lollipop person in the bike area and ensuring they stop-look and listen when crossing between the bikes. During local trips the children wear Hi Vis jackets and are taught what to do when crossing the road.	Safer Internet Day As part of Online Safety, we take part in Safer Internet Day. This is over and above what is covered during our Computing curriculum.	Marvellous Manners and Everyone Matters As part of our SMILE expectations we focus on how everyone in our school and community matters. This includes how to be a kind and thoughtful friend to others.
Scissor Safety Children are shown and taught how to hold scissors safely when transporting them around their classrooms	PSHE Through our PSHE curriculum we teach the children to be self-aware and responsible. We explore themes such as Being responsible Relationships, Difference and Diversity, Bullying matters and Drug Education (In year 2) Worry Monsters live in every class and are available for the children to post oin their picture or name. staff check these every day and are able to then talk to the children about their worries or concerns	Balance Bikes Children in Reception receive Balance Bike training where they learn to use the bikes safely. They learn how to get on and off carefully and negotiate space	Healthy week This takes place in the summer term. Year groups cover different aspects of staying healthy and safe including Fire Safety, Healthy eating, Sun safety and road safety.	Keeping safe at school We talk to our children about how we keep them safe within school and talk to them about who they can approach for help. Children are reminded how to use the Worry Monsters in the classrooms during assembly times
Fire Drill This takes place three times a year at different points during the day so the children are confident about what to do.	Sun Safety This is taught in Summer and children are taught how to stay safe in the sun. Children are encouraged to wear sun cream, drink plenty of water and wear a sun hat during playtimes and lunchtimes.	Fire Safety The fire service visit Year two each year and focus upon fire safety in the home and provide the children with a child friendly leaflet to share at home.	Anti Bullying This take place inline with national Anti – bullying week. Children learn about similarities and differences and celebrate their uniqueness. The children learn about using kind words and actions.	The Underwear Rule An NCPCC assembly and follow up class based activities is delivered each year in an age appropriate way to cover the PANTS rule. The children learn a catchy song to help them stay safe,
Kevin the Kindness Bear Adults around school are always looking for acts of kindness. Children are rewarded with a Kevin the Kindness Bear Heart.	Relationships and Sex Education The age appropriate teaching of RSE ensures the children are equipped with the ‘ <i>key building blocks of healthy, respectful relationships, focusing on family and friendships, in all contexts, including online</i> ’ (taken from the statutory guidance) The children are taught about healthy relationships in real life and online.	Dental Health As part of the EYFS curriculum children are taught the importance of dental health First Aid Year Two children receive first aid training each year as part of Healthy week.		People who help us. The children are taught who they can go to for help outside school, such as the Police or Shopkeepers.
